While U.S. economic sanctions against Venezuela can be extended beyond the current quarter, they will become more severe in 2017, Foreign Minister Delcy Rodriguez said on Friday.. In the first full international round on the country, Venezuela accused Washington of using "an authoritarian and unconstitutional form of dictatorship" in a move it says discriminates on the basis of color, religion, language and sexual orientation.. Rodriguez said on Friday the United States and European Union would not lift the penalties imposed by the Venezuelan Congress.. She said the U.S. Congress is not a party that can lift sanctions unilaterally. "I don't believe the new sanctions regime we will face in 2017 will be in place this year or even next year," Rodriguez told reporters after meeting Chinese Prime Minister Li Keqiang after his trip to the United States.. Asked if all the sanctions would be lifted, Rodriguez replied, "I can provide only that some will be, that a few will have to stop activity.". [Mr.bean Holiday Full Movie In 3gp Dubbed In Tamil](#)
