In 1987, "Kamal Kalay Kala Jadu" was reprinted as a part of the "Purple Book Series" at the cost of Rs.150/- per copy. The book came to be popular even amongst many leading politicians and leaders of public life in India during the 1980s and 1990s. It is now published as a separate volume. In the late 1990s a few books of similar nature started sprouting in India, written by self-styled experts of black magic. One common factor found in them was the mention of "Kamal Kalay Kala Jadu" book, by one or the other author. "Kamal Kaala Jadu" is still popular amongst many prominent politicians and leaders of public life in India at the beginning of 21st century.
